

100% OF YOUTH RAFFLE PROCEEDS GO TO YOUTH CAMPS AND ACTIVITIES

This year, for the first time ever, we are offering raffle items that will benefit our youth programs. The entire amount raised through these raffles will be spent solely to expand our youth activities, one of which is to send young people to the B&C Wildlife Conservation Skills Camp in Dupuyer, Montana every summer. We encourage young people to enjoy the outdoors, and to hunt and fish at every chance. However, you must be 18 or older in order to participate in these raffles, and you must be 18 to win the rifle offered in this raffle package.
